For lecture & exercise

All experimenters show up in First Lab 8:15 for introduction.

Afterwards:

8 groups (1-8, 17-24) do Ball-on-Incline in **First Lab**. 10:15 move to Pendulum exp in K+M.

8 groups (9-16, 25-33) do Pendulum exp. in K+M. 10:15 move to Ball-on-Incline in **First Lab**.

Meanwhile:

Those **not** doing experiments have lectures (+exercises) in Auditorium A (+B&C&Ma14), **starting 9:15**.
