

# Check list

In order for me to consider you inscribed in this course, you should fulfill the following check list (*preferably before first day is over!*):

- **Have read the course information** (these slides, on course webpage).  
Otherwise, you don't know what is going to happen.
- **Have your picture ("mug shot") taken.**  
Otherwise, I don't know who you are.
- **Have filled in the questionnaire** (on course webpage).  
Otherwise, I don't know what you know and don't.
- **Have measured the length of the lecture table in Auditorium A.**  
Otherwise, you haven't contributed to a common course dataset.
- **Have Python and ROOT running on your laptop.**  
Otherwise, you can't follow the exercises or solve problems.
- **Have registered for exam!**  
Otherwise, the administration will kill us!

In order not to continuously be doing the above, we will be doing all of the steps today and Friday after class, only!
