

Project teams

In order to make project teams, we would like you to write us with team proposals. Maximum 4 persons (unless you have solid reasons for 3 or 5).

If you're only 2 or 3 persons, then please also write, and we'll team you up with others.

If you can only attend one of the two days (Friday the 27th or Monday the 30th of November), then please write this also, and we'll assign you to do project on the day, where you can make it.

Please write to Giulia:

giulia.sinnl@nbi.ku.dk

We will try to finalise the teams by Friday afternoon, posting a preliminary version on Monday.
